## Golf Academy Corporate Programs

### Jeff Hadfield, Head Teaching Professional

[jvjadfield@gmail.com](mailto:jvjadfield@gmail.com)

“Learn to play golf, not just how to hit a ball! I often hear stories from people saying they would like to be able to play a relaxing game with their associates, but their lack of basic skill and course etiquette holds them back. With our program you will quickly develop into a confident golfer. You will lower your scores on the course and increase them in the board room.”

*Jeff*

### Corporate Program:

- ✓ **Swing lessons** with a CGTF certified instructor - Set up, stance, swing, driver, long and short irons, pitching, chipping, bunker, putting.
- ✓ **Course-play lessons** - instruction provided on the 18-hole, certified “EMU GOLF™” practice course. (See over for details)
